

## Weddings and Celebrations

Weddings and Celebrations - At MKC we love a good party! Whether it's in a Private Home, Special Venue or in the middle of a field, the recipe for success is simple.

It starts with great communication and a specific understanding of your needs down to the very last detail, add menu design and styling, mix in precision planning, ensuring every eventuality is covered, excellent, attentive staff, delicious food and great wine.

All this culminates in ensuring that a fabulous time is had by all, giving you peace of mind so you can relax and enjoy your day.
